

GDPR Compliance Statement

www.mathsframe.co.uk is compliant with the General Data Protection Regulation (GDPR)

- We do not, and never will, share data with 3rd parties
- Our data is encrypted and stored securely, in accordance with GDPR guidelines
- We do not store credit card details. All card payments are processed by PayPal or Sage

Data we store

Single User Licenses:

- Name
- Email address (this is held so you can reset your password and we can identify you for any subscription queries)
- Name of school (optional)
- Username and password (encrypted)

Whole School Licenses:

- Name and address of school
- Name and email address of contact at school
- Username and password
- As a school license is accessed through a single username and password, **we do not hold any data for students**

You have the right to be forgotten. We will delete your personal data upon request.
